

Greendale is one of three Greenbelt Communities in the United States developed in 1936 under President Franklin D. Roosevelt. To this day, the village of 14,000 people located near Milwaukee reflects a rural setting in an urban area. Greendale, often called the Garden Community, is known for its hospitality, scenic landscape, quality homes and exemplary schools.

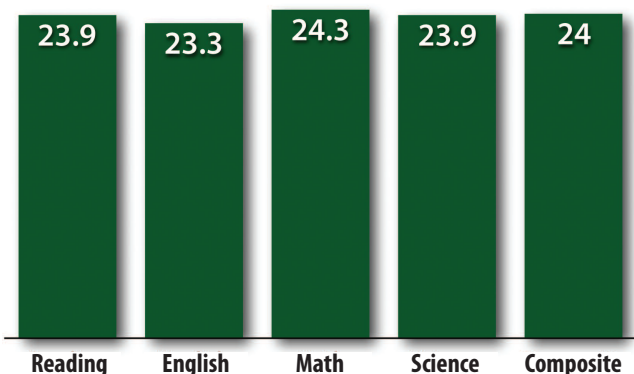

The Greendale School District, home to more than 2,600 students, prides itself in providing an excellent public education for all students from kindergarten through twelfth grade. Greendale High School, Greendale Middle School, and three elementary schools - Canterbury, College Park, and Highland View - serve the district. The Time 4 Learning Charter School offers pre-school experiences to four-year-old children.

Mission

The Greendale School District, in partnership with students, families, and the community, is committed to developing leadership, creativity, and educational excellence. By creating multiple opportunities for learning, each student's unique abilities are developed to achieve success and contribute positively to our global society.

American College Test Results

The composite student ACT score is the average score of the number of students tested in Reading, English, Math, and Science Reasoning during their junior or senior year. A perfect score is a 36. The ACT was taken by 67% of Wisconsin graduates with an average composite score of 22.3; 73.6% of Greendale graduates took the test.

Board of Education Goals

To review and assess the strategies in the schools to encourage outstanding student achievement, responsibility and citizenship at the district, school and classroom level and to recommend and to implement strategies for the success of all students.

To monitor and adjust the District Assessment Program and make recommendations to remedy needs and align curriculum with district assessments, state standards and student assessment/performance data.

To advocate and seek greater resources that will more effectively advance the District's child-centered educational program for all students.

Wisconsin Knowledge & Concepts Exam

The WKCE is administered in the fall semester to all public school students in Wisconsin. The percentages represent the number of students scoring proficient or advanced on the state assessment.

Grade Level	Reading	Language Arts	Math	Science	Social Studies
4	95.5%	91.7%	93.6%	95.5%	99.4%
8	95.2%	83.1%	93.2%	95.2%	96.1%
10	92.4%	91.6%	91.1%	89.0%	92.8%

For more detailed information, comparisons to other districts, and scores in other grades, go to <http://dpi.wi.gov/sig/index.html>.

Advanced Placement Results

Advanced Placement (AP) Testing is offered to high school students through The College Board. Earning a 3 or higher on the test qualifies students for placement or credit for college courses at most universities. 192 students took 335 AP exams. 83% earned a 3 or better.

Senior Scholarships Awarded

Class of 2010 received over \$1,300,000 in scholarship awards.

Post Graduation Plans

Over 95% of the Class of 2010 planned to attend a two-year or four-year college.

Financial Information

Increase in All-Funds expenditure budget of 5.44% over last year.

Increase in mill rate over last year from \$11.42 to \$12.23 per thousand of equalized value which results in an increase of approximately \$162 on a \$200,000 home before state levy credits are applied.

State aid increase of \$559,043, or 5.6%, from prior year.

Tax levy increase of 1.67% from last year.

Moody's Rating Service upgraded the district's bond rating to Aa3 in 2007 saying, "The Aa3 rating and upgrade reflects the district's well managed finances characterized by sound reserves, mostly mature suburban Milwaukee tax base and average debt burden with no future borrowing plans. Moody's expects the district's financial position to remain sound due to the presence of healthy reserves and prudent financial management as evidenced by strong forward financial planning."
